

A2

TOTAL WIDTH 366mm

TOTAL LENGTH 420mm

TOTAL HEIGHT (TOP TO BOTTOM OF LEG) - 230mm

**MOTORINGBOX MOBILE OFFICE TABLE**

Make your own AU Falcon Horizontal Work Table using these basic plans. All measurements listed are relative to the top of the table. Eg. the base is 90mm below the table top, the hinge is 45mm below, etc. All measurements are estimates and some fine tuning and modification will be required. **For your own usage in creating a replica table for your car - please do not sell for profit.**
